NARRATIVE:

Morales has an extensive adult criminal history that began at the age of 21. His convictions include assault w/a semiauto firearm, grand theft of property, multiple burglaries, vehicle theft, petty theft, several petty thefts w/priors, possession of controlled substance, attempted escape, disorderly conduct, and absconding from supervision. He has served multiple state prison terms the longest a four (4) year term for assault w/a semiauto firearm. Morales was released from state prison to the supervision of the Los Angeles County Probation Department on October 9th, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in March 2014 after he absconded from post release community supervision (PRCS). Morales qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for petty theft w/priors is defined as non-serious and non-violent under the California penal code. His prior criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
